

Cibolo Fire Department was presented the 2016 Gold Award American Heart Association Mission Lifeline Recognition by Schertz EMS at the June 28, 2016 Council Meeting. AHA Mission Lifeline includes patients suffering from a heart attack to meet the following with greater than 75% compliance:

- Transport to a STEMI receiving center within 90 minutes of first medical contact
- 12 lead obtained within 10 minutes
- Response times are measured
- Scene times are measured

7% of EMS and Fire Departments in Texas were awarded, either, Bronze, Silver or Gold.

3% achieved Gold.
