Disclaimer, Restrictions, Data Use Terms, and Signature

Read and initial

_____ All geospatial data products provided by the City of Cibolo are for informational purposes only and are not suitable for legal, engineering, or surveying purposes. The City of Cibolo cannot accept any responsibility for any errors, omissions, or positional accuracy, and therefore, there are no warranties which accompany these products.

_____ Boundaries do not represent an on-the-ground survey conducted by or under the supervision of a registered professional land surveyor and represents only the approximate relative location of property boundaries. These products may not reflect some data otherwise available. These products are not a substitute for obtaining a survey or other professional advice about a specific property, specific question, or situation.

_____ You are not permitted to redistribute or sell City of Cibolo GIS data. The data may only be used by the requesting party and may not be transmitted or delivered in whole or in part to any other person, party, organization, or entity. The only exception to this restriction would be if multiple individuals, employed by a single company, were assigned to a project which required the data to be shared with the project team.

_____ You are not permitted to edit City of Cibolo GIS data in any way.

_____ Any document created with the City of Cibolo's GIS data is required to have a note stating that the data was obtained from the City of Cibolo and the date on which it was obtained.

_____ All data distributed by the City of Cibolo is continuously updated. It is your responsibility to ensure that you are using the most current version of any dataset.

By signing below you agree that the requested data will be delivered within 15 business days of form submission and that you have read and understand the data disclaimer, restrictions, and data use terms.
