A permit becomes null and void if work or construction authorized is not commenced with 6 months or if construction or work is suspended, or abandoned for a period of 6 months at any time after work is started.

As Contractor, I authorize the property owner to pick up this permit on my behalf. I understand that work may not begin until the permit is posted on the job site. I assume all responsibility for any penalty that may be assessed if work is performed without the permit being posted. \_\_\_\_\_ Initial, if homeowner authorized to pick up permit on your behalf

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I understand granting of a permit does not presume to give authority to violate or cancel the provisions of any city guidelines, ordinances, codes, state or local laws regulating construction or the performance of construction.

(SIGNATURE OF OWNER, CONTRACTOR OR AUTHORIZED AGENT)
